

SUBJECT INDEX, VOLUMES 1–4 (1976–1979)

- Accommodation to threat (1) 125
- Adaptation and change: a typology (3) 87
- Agencies and the Los Angeles earthquake (1) 217
- Agencies' relationships and conflict: the Wilkes-Barre experience
- Agency programmer, views and impressions of (3) 229
- Agency's operations in an earthquake: case study (2) 83
- Alarm systems for high-rise buildings – a case study of vocal (2) 25
- Assistance in a disaster: international/domestic transformation (3) 217
- Avalanche of Yungay, Peru: post-disaster consensus and conflict in a traditional society (4) 39
- Bahamas, hurricane response and hurricane perception in the commonwealth of the (3) 251
- Behaviour of survivors and victims in a Japanese nightclub fire (1) 119
- Blizzard, how a community hospital emergency department coped with a massive (4) 1
- Body handling in disasters (2) 249
- Brazil, the impact of frosts on the coffee growing region of Northern Paraná (4) 135
- Centralization and natural disaster response: a preliminary hypothesis and interpretations (1) 1
- Change and adaptation, a typology of (3) 87
- Change, an earthquake as agent of rural (4) 145
- Change, intelligence and resilience in complex social systems: famine administration in India (4) 71
- China, earthquake prediction volunteers: what can the United States learn from (3) 143
- Chinese experience with earthquake prediction (1) 323
- Civil disturbances and disasters: similarities and differences (1) 131
- Communities, a review of research on the psychological consequences of natural disasters on American (3) 105
- Community conflict: its absence and its presence in natural disasters (1) 139

- Community disaster model for policy analysis (3) 1
- Conflict in a traditional society, post-disaster consensus and (4) 39
- Conflict and relationships between agencies: the Wilker-Barre experience (2) 111
- Conflict: its absence and its presence in natural disasters (1) 139
- Crisis or psychological intervention in United States disasters (2) 43
- Crowding models, stress, and wilderness (1) 249
- Daily activities, persistent effects of disasters on (1) 279
- Death, differential distribution in a disaster (1) 261
- Development, natural disasters and economic (4) 69
- Differential distribution of death in disaster: a text of theoretical propositions (1) 249
- Disturbances, a note on natural disasters and civil (1) 131
- DRC studies, a background note on the preliminary findings and impressions (2) 147
- Droughts, famines and the evolution of Senegal (4) 87
- Earthquake, agencies and the Los Angeles (1) 217
- Earthquake as an agent of social change in a rural area (4) 145
- Earthquake: case study of a disaster relief agency's operation (2) 83
- Earthquake prediction and public policy: distillations from a National Academy of Sciences Report (1) 179
- Earthquake prediction volunteers: what can the United States learn from China? (3) 143
- Earthquakes, a "people's war" against (1) 323
- Earthquake: social science observations and research suggestions (2) 69
- Earthquake, some changes in housing characteristics in Guatemala (4) 121
- Elderly tornado victims in an American disaster (3) 71
- Emergency center of a hospital coping with a massive blizzard (4) 1
- Emergency centre, (1) 63
- Emergency operations, planning for (1) 107
- EMS delivery in mass emergencies: preliminary research findings (2) 151
- EMS law on disaster related delivery systems, some observations on the effect of (2) 159
- EMS, problem of needs assessment in the delivery of (2) 169
- Evacuation decision-making in natural disasters (4) 25
- Evacuations, importance of preparatory measures (2) 1
- Evolution of Senegal, effect of droughts and famines on (4) 87
- Evolution of famine in Sudano-Sahelian region (4) 95
- Families in disaster: patterns of recovery (1) 203
- Family recovery from natural disaster: a preliminary model (1) 267
- Famine administration in India (4) 71
- Famine in a Sudano-Sahelian region (4) 95
- Famines and the evolution of Senegal (4) 87
- Financial implications of natural disasters: some preliminary indications (2) 205
- Fire: the behaviour of survivors and victims in a Japanese nightclub (1) 119
- Floods, hurricanes, and tornadoes, estimation of effects of (3) 117
- Friuli earthquake as an agent of social change in a rural area (4) 145
- Frosts, the impact on the coffee growing region of Northern Paraná, Brazil (4) 135
- Guatemala disaster rehabilitation assistance: views and impressions of an agency programmer (3) 229
- Guatemala earthquake: case study of a disaster relief agency's operations (2) 83
- Guatemala earthquake: social science observations and research suggestions (2) 69
- Guatemala, post-disaster reconstruction planning (3) 23
- Guatemala, some changes in housing characteristics in (4) 121
- Group linkages, the impact of disaster on (1) 89
- Hail as sudden disaster: public response to hail suppression activity (1) 313
- History, disasters in (2) 219
- Honduras, post-disaster housing in (3) 239
- Hospital emergency center coping with a massive blizzard (4) 1
- Hospital personnel, differential response of (1) 47
- Housing characteristics in Guatemala following the February 1976 earthquake (4) 121
- Housing in Honduras after hurricane Fifi (3) 239
- Hurricane awareness, assessment of brochures & radio & television presentations on (3) 209
- Hurricane response and hurricane perception in the Commonwealth of the Bahamas (3) 251
- Hurricanes and tornadoes, estimation of effects of (3) 117

- Hurricane warnings: a reanalysis of data from four studies (4) 9
- Incendiarism: an overview and an appraisal (1) 153
- India, intelligence, resilience and change in complex social systems: famine administration in (4) 71
- Individual and organizational response to threat (1) 247
- Individual insight into disaster response, an empirical examination (1) 33
- Integration among disaster relief volunteers: a survey (2) 105
- Japanese nightclub fire, the behaviour of survivors and victims in (1) 119
- Japan, volcanic eruption and local politics (4) 53
- Jurisdictions, medical services in a mass casualty situation and the problem of overlapping (2) 179
- Law on disasters related delivery systems, some observations on the effect of emergency medical services (2) 159
- Lice case, partial recovery and reconstruction after disaster (2) 233
- Long term consequences of a natural disaster (1) 155
- Long term effects of American natural disasters, estimation of effects of floods, hurricanes, and tornadoes (3) 117
- Mass casualty disasters, the prevalence and effectiveness of centralized medical responses to (2) 189
- Mass casualty incidents, operations and planning in (2) 137
- Mass casualty situation: the problem of overlapping jurisdictions (2) 179
- Mass emergencies, an integrated systems and emergent norm approach to (1) 303
- Mass emergencies: preliminary research findings (2) 151
- Mass emergency problems and planning in the United Kingdom from the perspective of the police (3) 41
- Medical care and disasters: methods, theories and a research agenda (2) 195
- Medical responses to mass casualty disasters (2) 189
- Medical services delivery in mass emergencies: preliminary research findings (2) 151
- Medical services in a mass casualty situation: the problem of overlapping jurisdictions (2) 179
- Medical services in disasters (2) 135
- Medical services law on disaster related delivery systems, some observations on the effect of (2) 159
- Medical services, problem of needs assessment in the delivery of (2) 169
- NATO's approach to natural disaster relief (1) 11
- New Hebridean community, the paradox of permanency in a (4) 105
- Nicaragua and Guatemala, post-disaster reconstruction planning (3) 23
- Organizational approach, the comparative study of disaster (1) 21
- Organizational-environmental processes in response to threat (1) 291
- Organizations in disaster: a study of congregational response (3) 133
- Organizational response to disaster: a typology of adaptation and change (3) 87
- Peru, post-disaster consensus and conflict in a traditional society (4) 39
- Peruvian disaster and the spontaneous relocation of some of its victims (4) 117
- Planning for emergency operations (1) 107
- Planning in multiple casualty incidents (2) 137
- Planning in post-disaster reconstruction: the cases of Nicaragua and Guatemala (3) 23
- Planning, mass emergency problems and (3) 41
- Planning, philosophy of precautionary (2) 95
- Police, mass emergency problems and planning in the United Kingdom from the perspective of the (3) 41
- Police perspective, the Moorgate, London, England train wreck (3) 161
- Policy analysis, towards a community disaster model for (3) 1
- Policy and prediction: distillations from a National Academy of Sciences Report (1) 179
- Politics in Japan, volcanic eruption and local (4) 53
- Pollution in environmental disasters (3) 201
- Post-disaster consensus and conflict in a traditional society: the 1970 avalanche of Yungay, Peru (4) 39
- Post-disaster housing in Honduras after hurricane Fifi: an assessment of some objectives (3) 239
- Post-disaster reconstruction planning: the cases of Nicaragua and Guatemala (3) 23
- Post-disaster rumor chains: a case study (2) 121
- Prediction and public policy: distillations from a National Academy of Sciences Report (1) 179
- Prediction, lessons from the Chinese experience with earthquake (1) 323

- Predicting response to hurricane warnings: a reanalysis of data from four studies (4) 9
- Primary care provision during a period of natural disaster or large scale emergency (2) 19
- Psychological consequences of natural disaster: a review of research on American communities (3) 105
- Psychological intervention in United States disaster (2) 43
- Reconstruction and recovery after disaster: the Lice case (2) 233
- Reconstruction planning: the cases of Nicaragua and Guatemala (3) 23
- Recovery and reconstruction after disaster: the Lice case (2) 233
- Recovery of families from natural disaster: a preliminary model (1) 267
- Recovery, patterns of (1) 203
- Red cross and image maintenance: a research note (3) 55
- Red cross response to disasters (3) 49
- Rehabilitation assistance in disaster: views and impressions of an agency programmer (3) 229
- Relief agency's operations, case study of a (2) 83
- Relief, NATO's approach to natural disaster (1) 11
- Relief volunteers, social integration among (2) 105
- Research capacity, a stand-by (2) 25
- Resettled New Hebridean community, the paradox or permanency in a (4) 105
- Resettling of some victims of Peruvian disaster (4) 117
- Response of individuals and organizations on threat (1) 247
- Response of hospital personnel on disaster (1) 47
- Response of public to hail suppression activity (1) 313
- Response on and perception of hurricanes in the Commonwealth of the Bahamas (3) 251
- Response on disaster: an empirical examination of individual insight into (1) 33
- Response on disaster: a preliminary hypothesis and interpretations (1) 1
- Response to threat, organizational-environmental processes (1) 291
- Rumor chains, post-disaster (2) 121
- Seismic safety: where is it in California? (3) 167
- Senegal, droughts, famines and the evolution of (4) 87
- Sociology of disaster; a theoretical note (3) 61
- Sociology of disaster, new aspects of (3) 61
- Stress and wilderness, crowding models of (1) 249
- Sudano-Sahelian region, the evolution of famine in (4) 95
- Threat, accommodation to (1) 125
- Threat, individual and organizational response to (1) 247
- Threat, organizational-environmental processes in response to (1) 291
- Tornadoes, estimation of effects of (3) 117
- Tornado victims in an American disaster, service utilisation and adjustment patterns of elderly (3) 71
- Traditional society, post-disaster consensus and conflict in (4) 39
- Training on personnel, exercises and studies of contingency planning: practical experiences of a British emergency planning officer (3) 83
- Train wreck: a case study from a police perspective (3) 161
- Victims and survivors in a Japanese nightclub fire, behaviour of (1) 119
- Victims of tornado, service utilization and adjustment patterns of elderly (3) 71
- Victims, Peruvian disaster and the spontaneous relocation of (4) 117
- Vocal alarm-systems for high-rise buildings – a case study (2) 25
- Volcanic eruption and local politics in Japan (4) 53
- Volunteers in disaster relief and their integration: a survey (2) 105
- Volunteers in earthquake prediction: what can the United States learn from China (3) 143
- Wilderness, crowding models, stress and (1) 249
